EMPASTE MAESTRO EXTERIOR SIKA 20KG	Specifications	
 The image shows a yellow and red bag of Sika Top Empaste, a waterproofing mortar for exterior and interior walls. The bag features the Sika logo and text in Spanish: 'Empaste impermeable para paredes exteriores e interiores'. A small label on the bag indicates '18 kg'. Next to the bag is a yellow plastic bottle of Sika Resina, a 2L bottle used for sealing. The bottle also has the Sika logo and 'Resina' written on it. • No se fisura. • Resistente al agua y a la intemperie. • Sirve como fondo para aplicación de pintura. • No se desprende por presencia de humedad. • Acabado completamente liso. • Para óptimos resultados use Sika Sellador.
